Epic Games Store Hue Free Forever until July 9

Grab your forever copy before July 9 on Epic Games Store! Hue, a puzzle-adventure game is now this week's free game offered by Epic Games following the previous release of AER Memories of Old and Stranger Things 3.

Hue is a vibrant, award-winning puzzle-adventure, where you alter the world by changing its background colour.

Interesting enough? Hue was published on the year August 03, 2016 by Fiddlesticks Games. The game was designed by Henry Hoffman and Dan Da Rocha. It was released initially on Microsoft Windows, PlayStation 4, and Xbox One, platforms and later released on November 29, 2016 for PlayStation Vita
